Play in a Day

Here is one event we can run for your team. However, this is not an exhaustive list; please speak to us if you want us to design a bespoke event.

For this event you will produce a 'Play in a Day' based on the theme of your choice. This can be anything of from change to project management. In partnership with **MORE!** Productions we will work with participants to interrogate what their theme means to your team and organisation and work towards producing a 10 – 15 minute performance.

Specific team skills will be developed through engagement in the process of making the 'Play in a Day', i.e. collaboration, communication, leadership and time management as well as the ability to be productive under pressure.

Raising awareness of the theme in question will be achieved through the final performance.
