

LEEDS

The Bid

Here is one event we can run for your team. However, this is not an exhaustive list; please speak to us if you want us to design a bespoke event.

The Bid involves the use of creative thinking, teamwork and problem solving. It also gives delegates the opportunity to think about vision, values and strategy.

The Brief

To raise its profile, your city has decided to host its very own Olympic games. Your team has been asked to put in a bid to organise the event. Your bid will be judged by the Olympic Games Committee.

You will be asked to:

- Define the vision for the event
- Design an opening ceremony
- Choose the games, including one that would be unique to your city
- Present your final bid.

The final bid presentation will be made to the committee, where prizes will be given for innovation and creativity.
