### Treasure Hunt

Here is one event we can run for your team. However, this is not an exhaustive list; please speak to us if you want us to design a bespoke event.

Can your team find the treasure? This half day event has been designed to exercise those problem solving and team working skills.

The teams will be solving clues along the way, and competing with each other to find the hidden treasure.

The treasure hunt can be tailored to meet the specific needs of your team. We can add emphasis on communication, analytical skills, and achievement.

Clues don't just have to be on bits of paper, we also have characters that can help teams with their quest.

Treasure Hunt can also be run as an evening event, after a conference or meeting.
